Powder Puff

The Powder-puff football game (Thursday — October 17) was packed with excitement (and occasional hard hitting) as the Senior and Freshman team came from behind in the final minute to tie the Juniors and Sophomores 18-18.

The game featured the running of Kim Dever and Tammy Rose and the throwing and catching of Amy VanBuskirk and Loris Bader with many timely tackles.

Another highlight of the game was the all male cheerleading squads dressed smartly in skirts and new hairdos with unusual cheers!!

Sometimes When We Touch

The 1978 Homecoming Festivities began with a bonfire and snake dance on Thursday night, September 21. Friday was the day of the Homecoming game against Ben Logan. All the classes took part in the preparations for the big event. The Freshman bought the flowers, Sophomores created the float, Juniors decorated the field, and Seniors decorated the gym for the dance.

The dance was held Saturday evening in the high school gym with a 4-piece band called Standing Ovation. The queen and her attendants were announced and entered the gym on the arm of their escorts.

The Junior King and Queen were Jamee and Angie Furrow.

COACH'S COMMENTS

Next year's picture could be bright if the players continue to build on the skills gained this past season. The seniors helped turn the program as they displayed a great deal of enthusiasm and attempted to generate leadership. Strong initiative and hard work will determine the success that can be gained next fall.

COACHES COMMENTS

To build a basketball program you always need a beginning. I feel this years team was the foundation to a winning program.

This year's team worked very hard towards team success. Although the team only won a few games, success was accomplished in other areas. Each player held much respect for each other and always worked hard towards a total team effort.

COACHES COMMENTS

This year's Pirate Jayvees were really worthy of the nickname "Fighting Pirates." Although we were very small, we were aggressive and displayed good teamwork. Each player contributed to our success and started the climb which will hopefully lead to a varsity position in the next two years. If they grow, work very hard, and dedicate themselves to winning, the next 2 years should be exciting ones for the Riverside High's basketball program. Best of Luck!

COACHES COMMENTS

This year's team was a pleasant surprise. The Freshman squad wasn't expected to win many games but they were able to set their goals and worked hard to achieve them.

The players learned their roles and what was expected of them and through dedication and sacrifice generally were successful.

The ultimate aim of our freshman program is in the development of the players abilities and skills. Winning is the extra bonus that goes with the skills developed.

A four game winning streak and the upset of the top seeded and undefeated league champions in the past season tournament were the season's highlights.

Basketball Cheerleaders

(1) VARSITY 1st row — Scarlet Perk. 2nd row — Kim Davis, Tammy Boggs. 3rd row — JoAnn Bratigam, Alisa Kuntzman, Melissa Grove.

(2) JUNIOR VARSITY 1st row — Lisa Sullivan, Barb Linson, Cindy Leiss. 2nd row — Jana Kelly, Ruth Paul (mascot), Dayle Stewart.

This year the cheerleaders made pizzas for their moneymaking project. The money went to pay for part of the fees for cheerleading camp. Each high school squad went to different camps where they learned new cheers, mounds, pep rally skits, and pom-pom routines.

The cheerleaders helped to generate energy in the players by decorating a lunch table and providing cookies and cakes to munch on.

COACHES COMMENTS

I was very pleased with the effort and attitude of the 1979 baseball team this year. We were a very competitive team. No team could take us for granted — on any given day we could beat anyone. We ended with a 6-10-1 record, which is very deceiving because we outscored our opponents 102-89. So you can see, our season could have very easily been turned around. I salute the seniors and challenge the rest of the underclassmen to match the enthusiasm and spirit provided by these young men. Thanks team for an enjoyable season.

Annie Get Your Gun

May 4 & 5, 1979

Musical by: Irving Berlin

Play Direction by: Susie Smithers

Musical Direction by: Clarence Pfaadt

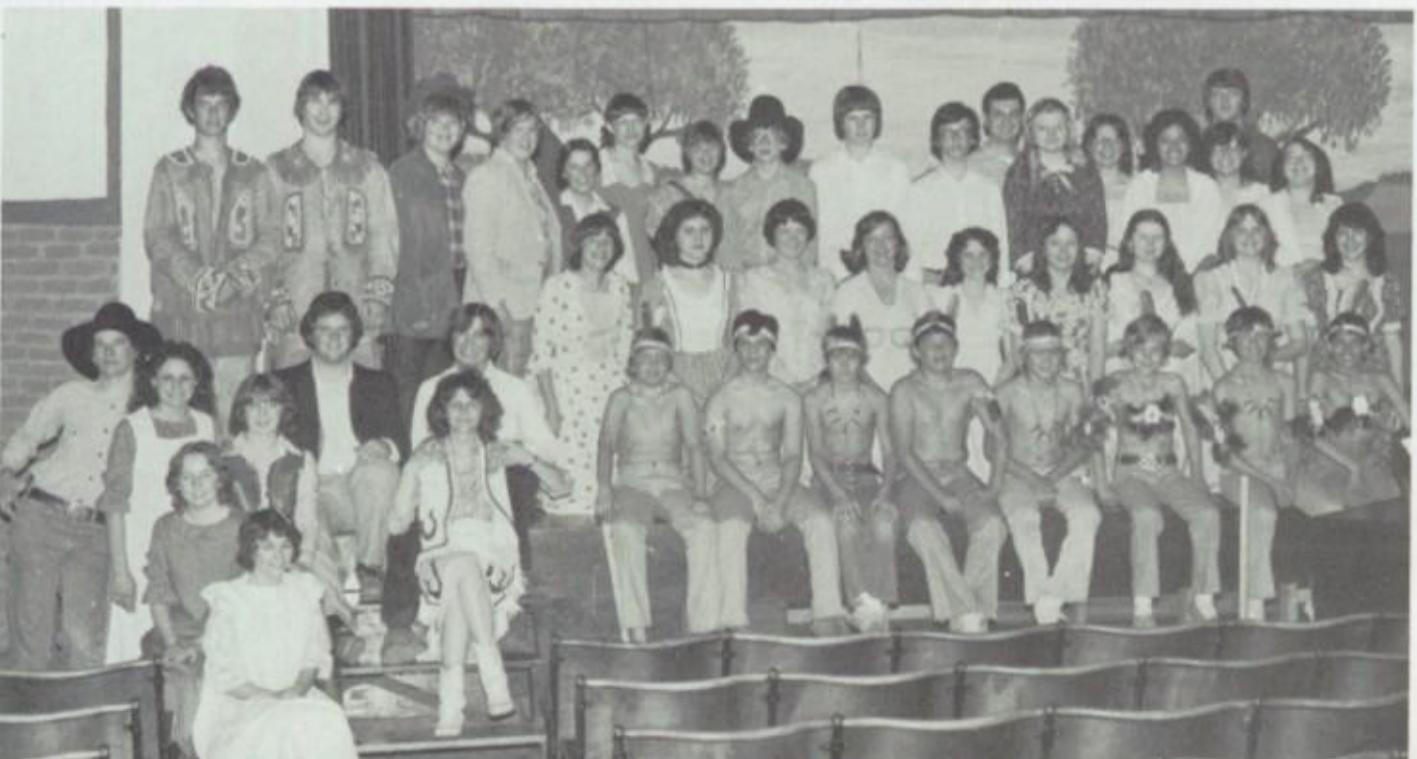

The play is about the famous Annie Oakley, the sharpshooting country girl from Darke County, Ohio. She is challenged to a shooting match against Frank Butler, the star of a traveling Wild West Show. She wins and promptly falls in love with Frank as she laments her lack of expertise in the boy-girl relationship with "You Can't Get A Man With A Gun".

Impressed with Annie, Davenport, always thinking of his pocketbook, convinces Annie that there's no business like "Show Business", and she joins the show.

In spite of Frank's determination to marry a feminine girl he falls in love with Annie. Due to a misunderstanding, Frank leaves the show to join up with Pawnee Bill. Annie and the show go on a disastrous tour of Europe. Returning home, amidst laughter and some conniving, Annie and Frank are reunited and the two shows merge.

This is the Beginning
of a new day.
God has given me
this day to use
as I will.
I can waste it
or use it for good.
What I do today
is very important
because I am
exchanging a day
of my life for it.

When tomorrow
comes, this day
will be gone
forever, leaving
something in its
place I have
traded for it.
I want it to be
gain, not loss —
good, not evil —
success, not failure —
in order that I shall
not forget the
price I paid for it.

JUNIOR

Small but Determined

The junior class consisted of 27 girls and 33 boys. Out of the total 60, 23 students attended JVS.

The class put forth much of their time toward the magazine sales. Mr. & Mrs. Smithers hosted swimming parties to keep members refreshed and determined to sell. The class reached their goal of \$8000 and profited \$3290.12 for use toward the Spring Prom. The traditional turkey supper was enjoyed with entertainment, prizes, and awards given to the top salespersons.

Student council representatives were Jeff Whitsett, Phyllis Purtee, and Joy Davidson, JVS representatives were Robin Hemandollar and Tami Bell.

Helping Hands People

Lending a helping hand to the Sports Boosters to make the January Alumni Spaghetti Dinner a success, each class member pitched in to supply the dinner with hamburger, lettuce, dressing or a dollar donation. Members, also, helped to serve and clean up making their profit total \$150.

Working hard for your convenience, these class members provided you a place to put your coat while you relaxed and watched the home basketball games. With your support, the class gained over \$75 for their treasury.

The Student Council representatives for these 33 girls and 29 boys were: Keith Fielder, Sandra Krisher, Barbara Linson.

Freshmen Were Salesmen

Being a freshman was very exciting for this class of 69 (37 girls and 32 boys). They had their own basketball team and class officers. Many courses were now elective.

This class worked together to sell 302 cookbooks, so as to add money to their treasury. **Favorite Recipes of Home Economics Teachers** was the sub-title of the cookbooks which gained the class a profit of approximately \$200. The top salesman was Doug Dorsey who sold 39 cookbooks and won the top prize of ten dollars.

The student council representatives for the class were Shelly Waymire, Kevin Hughes, and Steve Hartley.

This year's basketball team had a 3-8 record; however, the second half of the season was really competitive as 4 ball games were lost by a total of 12 points. Steady performances were turned in all year by Scott Davis and Mike Kaeck. With dedication and hard work over the summer the future for Riverside basketball looks promising.

Moving Ahead

The 33 boys and 26 girls were asked what their favorite hobby, stars, TV shows, and foods were. The favorite hobby — sports; favorite stars — Eric Estrada, Andy Gebb, and Cheryl Ladd; favorite TV — Mork and Mindy; and favorite food — pizza! Another question was "How does it feel to be an 8th grader?" Answer — "I want to be older!"

The class was busy with student council and their dances, but still took time to take a trip to the Neil Armstrong Museum.

To end the year, each student is filled with a curiosity of becoming a high school student. They will have collected memories of carefree days behind them as they move ahead to new adventures and fonder memories.

SEVENTH

Becoming Acquainted

The class consisting of 70 students (32 girls and 38 boys) was asked who was their favorite teacher, what was their favorite sport, and what was their favorite song . . . we found out what season they preferred, too.

The answers to these were: favorite teacher — Mr. Guthrie; favorite sport — basketball; three favorite songs — "I Was Made For Dancin'", "Do You Think I'm Sexy", and "Y.M.C.A."; and the No. #1 season — summer!!

During the year, the 7th grade was kept quite busy with their sports, classes, and student council activities. It took them awhile to become acquainted with the high school (which was a big task in itself), but 8th grade here they come!

THANKS! A Friend of the Annual Staff

Another school year has passed. During the past year, there have been laughter and tears, victories and defeats. There have been days when everything went great and days that seemed to have lasted forever.

I'd like to thank every member of the annual staff and all the others for their contributions to the yearbook.

To merely thank our advisor, Mrs. Heath, seems so inadequate. She has spent many hours of hard work with the staff and alone to prepare for each deadline; I sincerely appreciate it. Thank you.
